GARGANTUA

The Gargantua table offers superior functionality thanks to its adjustable benches that can be changed in height depending on social or family circumstances. There is a level for adults, for small and tall children, or the bench can be used as an extension of the tabletop. Provides space for 8 - 12 people. If one bench is removed, people in wheelchairs can also join the table. Gargantua is also ideal for urban spaces and project environments.

GARGANTUA AND HIS SON PANTAGRUEL

In 1994, Dirk Wynants found the name of his very first creation in the work of François Rabelais. The main characters, the giant Gargantua and his son Pantagruel are Rabelais' most famous literary creations. Even today, the terms Rabelaisian and gargantuan are often spontaneously linked with an over-abundance of food and drink, ...
